WORK EXPERIENCE

EDUCATION

Web Development

City & Guilds (UK)
2021

Civil Engineering

Qazvin University of Engineering
Aug '15 - July '18

REFERENCES

Amin was essential to the team and contributed significantly to the development of the company. Proactive, dynamic, and perfectly organized. Brilliant Frontend Developer.

Shayan Davarzani (Sepidan CEO)

Amin is very professional in work and work behavior. He is a very skilled programmer

Ehsan Vakilzadeh

(Technical project manager at Max Holding)

FrontEnd & blockchain Developer

MaxHolding (azki - bimito - MaxDigital) Dec '2019 - 'now

From developing a landing page for a marketing unit to developing a website & web application and internal panels and connecting to a blockchain network for a trading panel are some of my most important tasks in the Max Holding Group.

FrontEnd Developer

Zomorod (online Shopping in oman) Sep '2020 - Feb '2021

Developing, personalizing and experiencing a new platform (Cs-Cart) can be considered one of my biggest enjoyable challenges at Zomorod

WordPress DEV & Digital Marketert

Gaj International Publications Aug '2017 - Des '2019

Gaj may be the beginning of my career in the Internet world - In Gaj, I learned, experimented, won prizes, and enjoyed life - 1- GajMag development 2- Designing and directing social networks,
